Description. A Short Guide to Writing about History is an ideal complement for any history course intended to teach students to think and write like historians. This engaging and practical text will teach students how to go beyond reporting the basic dates and facts of their history books and show them how to infuse their writing with their own ideas and unique perspective.

Overview Part of the Short Guide series by Sylvan Barnet, *A Short Guide to Writing About Art* (1981), is a student reference book designed as a companion book for students undertaking art courses. It is popular with students for its clear and concise guidance on writing about art and imagery. Barnet, a Shakespearean scholar and American literary critic, wrote numerous books about Shakespeare and ...
