### Staff View: A view of Congregationalism

e Congregationalist polity, or congregational polity, often known as congregationalism, is a system of ecclesiastical polity in which every local church congregation is independent, ecclesiastically sovereign, or " autonomous ". Its first articulation in writing is the Cambridge Platform of 1648 in New England.

### Congregationalist polity - Wikipedia

Answer: Congregationalism speaks of a form of church government. "Episcopal" church government is rule by bishops, "presbyterian" church government is rule by elders, and "congregational" church government is rule by the congregation. Episcopal government usually includes a hierarchy over the local church, and presbyterian government sometimes does as well.

### What is a Congregational Church / Congregationalism ...

Congregationalism. Congregations determined the politics and social organization of communities. Only church members could vote at town meetings, and until 1630, one could become a church member only by the minister's endorsement. Most colonists were not church members.

### Congregationalism - United Church of Christ

Congregational churches are Protestant churches in the Reformed tradition practising congregationalist church governance, in which each congregation independently and autonomously runs its own affairs. Congregationalism, as defined by the Pew Research Center, is estimated to represent 0.5 percent of the worldwide Protestant population; though their polity-related customs and other ideas influenced significant parts of Protestantism, as well as other Christian congregations. The report defines it

### Congregational church - Wikipedia

A A. Today's Congregational Church Christians trace their core religious beliefs back to the Pilgrims and Puritans who fled persecution from the corrupt, authoritarian Church of England of their time, as described by the church publication, The Art and Practice of the Congregational Way. In the United States, the Congregational Church includes the United Church of Christ, the National Association of Congregational Christian Churches, and the Conservative Congregational Christian Conference.

### A view of Congregationalism, its principles and doctrines ...

Congregationalism is unique in its emphasis on the spiritual autonomy of each congregation. The congregation, however, is not thought of as any casual gathering of Christians but as a settled body, with a well-defined constitution and offices, that has ordered itself according to the New Testament's understanding of the nature of the church.
