Accuphase Laboratory, Inc. Integrated amplifier

For you get an idea of my sympathy for listening music just some hints: I began in the seventies with a Marantz-Receiver, one of these with the blue scales for tuning, I had than a Luxman L 410 amplifier, very famous in Germany in the 80' s. Then came my first Accuphase, the E 211, and I learned things like dynamics, resolution and some more.

Accuphase INTEGRATED STEREO AMPLIFIER E-301

It's eleven years since I reviewed the Accuphase E-213 for this magazine. That was then the entry-level integrated amplifier; the next model up the line, the E-308, was similar in rated power output but a noticeably more accomplished performer, and represented quite a significant jump in performance, back in the day.
