In this book Karl Oskar's brother Robert who has been gone for about 4 years returns. He left with his friend Arvid, but returns alone. He talks little of what has befallen him, and what he does say Karl Oskar doesn't believe.

### **The Settlers (The Emigrants, #3) by Vilhelm Moberg**

This book continues the story of Jenny Taggert, now free from her convict status, but she (and others) bear the stigma of it and are shunned by the free settlers now arriving. The new colony struggles with the land, as well as the growing power and corruption of the military, who cares for little except making a quick buck.

### **The Exiles (The Australians, #1) by William Stuart Long**

The End of the Myth (2019) offers a revealing look at how America's frontier mind-set has guided and protected the nation through its troubled history. You'll see how the expansion of that frontier has served to keep fundamental problems of racism and inequality from being dealt with and find out if the myth of the American frontier has finally died.
