Midwifery - 4th Edition

Midwifery: Preparation for Practice is the first text of its kind in Australia and New Zealand and places the woman and midwife at the centre of midwifery care. The approach is in line with the philosophy, education and practice standards set by the Australian College of Midwives and the New Zealand College of Midwives.

Midwifery: Preparation for Practice: 9780729537568 ...

Midwifery: Preparation for Practice 3e is the definitive midwifery text for Australian and New Zealand midwifery students. The third edition continues to reinforce the established principles of midwifery philosophy and practice—that of working in partnership with women and midwifery autonomy in practice and from this perspective, presents the midwife as a primary healthcare practitioner.
