Pandigital has released a number of Android tablets and ereaders over the past few years. None come with official access to Google's Android Market for apps, but all are open to install third-party Android apps and most can be modified to add the Google Play store. All have apps that connect to Barnes and Noble's ebook store over WiFi for downloading ebooks and periodicals directly to the devices without the need of a computer, except the Canadian models that connect to the Kobo ebook store ...
