postmodernist fiction, jam-packed with conceptual loops and twists and experimental visual displays of language. His main focus is on distinguishing the primarily epistemological concerns of modernist fiction from the primarily ontological concerns of postmodernist fiction.

## **Postmodernist Fiction by Brian McHale - Goodreads**

Unlike so many literary theorists who rarely if ever cite a work of literature, McHale actually reads books and applies his theories to them. If you ask me, any literary postmodernist who doesn't talk about an author like Pynchon is missing the point. This is one of the best examples of applied postmodern theory I've ever read.
