The DMV has an accident re-examination program that identifies drivers who have been in three or more reportable accidents within an 18-month period. The program includes drivers of all ages. A reportable accident is any accident in NY State that causes a fatality, a personal injury or damage over \$1,000 to the property of any one person.

New York DMV | DMV's Driver Re-evaluation Program

University admission or college admission is the process through which students enter tertiary education at universities and colleges. Systems vary widely from country to country, and sometimes from institution to institution. In many countries, prospective university students apply for admission during their last year of high school or community college.
