Sail-Pilot | The first Greek Waters Pilot mobile app

The wind in the Sporades during our sailing season is generally from the north or north east and is known as the 'meltemi'. It can be a lively wind at times and so this route is aimed at our more experienced flotilla sailors. The combination of the stronger winds and the flat seas on the leeward side of the islands offers perfect conditions...

Spent an incredible week sailing around the Sporades islands with PureSailing. Everything was effortless from the booking process to the checking in and out. Really friendly service and very welcoming. Staff had great local knowledge, and fabulous recommendations for places to eat etc. Would absolutely recommend. Many thanks again to all the team!
